

# 5-7 YEAR OLDS TIME

Below are some activity ideas to support your child with time.

## CHALLENGE ONE

Think about some of the activities that you complete each day. Make a list of things that you could do in each of the times below. An example has been given for each.

- One second** – blink
- One minute** – fill a water bottle
- One hour** – walk a dog

## CHALLENGE TWO

### What time is it Mr Wolf?

Mr Wolf has huffed and puffed so much that he has blown all the hands off his clocks. Can you draw the hands on the clocks to show the right times? Remember, the little hand points to the hour and the big hand points to the minutes.

8 o'clock

Quarter past 2

Half past 11

4 o'clock

Half past 12

Quarter past 5

10 o'clock

Half past 7

## CHALLENGE THREE

The ship left the port at 2 o'clock. It returned 3 hours later. Which clock shows the time that the boat returned?

The plane left the airport at half past 7. It landed 2 hours later. Which clock shows the time that the plane landed?
