

4-5 YEAR OLDS TIME

Below are some activity ideas to support your child with time.

CHALLENGE ONE

Go on a clock hunt in your house. How many clocks, watches or devices that show the time, can you find in your house?

CHALLENGE TWO

Look at the pictures below and decide which takes more or less time.

Getting out of bed.

Going on a bike ride.

Which takes more time?

Eating dinner.

Brushing your teeth.

Which takes less time?

Reading a book.

Getting dressed.

Which takes more time?

CHALLENGE THREE

Match the lines from the nursery rhyme to the correct clock face.

The clock struck two.

The clock struck three.

The clock struck four.

Remember, the little hand points to the hour and the big hand points to the minutes.
