

# 4-5 YEAR OLDS WORD PROBLEMS

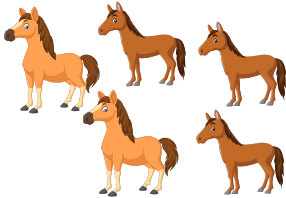

Below are some activity ideas to help your child with word problems.

## CHALLENGE ONE

Answer the word problems below. You can use the pictures or collect things from your house to help you work out the answers.

Snow White meets 4 dwarfs. Then she meets another 3 dwarfs. How many dwarfs does she meet altogether?

The prince has 2 horses in his stable. He puts 3 more horses in his stable. How many horses are in the stable altogether?

The wicked witch poisons 3 apples. Snow White eats 1 of the apples. How many apples are left?

The dwarfs cottage has 5 chairs in one room and 3 chairs in another room. How many chairs do they have altogether?

Snow White made the dwarfs 10 cookies. They ate 7 cookies. How many cookies do they have left?

## CHALLENGE TWO

Can you complete the outdoor maths challenges below?

Collect 3 sticks and 2 leaves. Which group has the most objects in? Which group has the fewest objects in?

Make a pile of 10 leaves. Take 6 leaves out of your pile. How many leaves do you have left?

Collect 5 stones and 3 sticks. How many objects do you have altogether?
